COM 1065: Discovering Commercial Real Estate

Thursday, February 2, 2017 1:00-4:00 p.m.
(564002475) Three-hour elective course

This course offers a broad overview of the basics of commercial real estate and how it differs from residential real estate. Students will be able to distinguish and understand the broker's role and discover the different types of commercial properties, terms, valuation methods, marketing and resources for further education. This is an ideal introductory course for those who are newly licensed and/or residential agents who want to learn more about commercial real estate.

(Elective)

Instructor: Kerry Kidwell
