

TEC 1719 Managing Online Transactions

Continuing Education - dotloop

Course No: 564002470 | 3 elective credits

Approval Code: 2018-055

This is a 3 hour course that focuses on real estate tech education, application and meeting customer needs and expectations. The attendee will have the opportunity to understand the technological concepts of an evolving real estate industry while also learning how to use them in their day-to day transactions.

Join us for an in-depth-training on how to become an expert looper. At dotloop Training, you will learn document editing, eSignatures, tasks, third party collaboration and more. Improve client experience, drive savings and productivity by getting the most out of dotloop.

Cost: FREE (Choose One Date)
